<p>Student Expresses original thought in an organized and logical manner. All parts of the question are answered, with examples and details to support ideas. Writing is legible.</p>	<p>Student expresses original thoughts with an attempt at organizing the ideas in logical manner. The question is mostly answered, and the student has attempted to support ideas. Writing is legible.</p>	<p>Student attempts to answer the question, but does not express original thoughts or supply examples or details in support of ideas, or only part of the question is answered. Writing is difficult to read.</p>	<p>Student turns in writing that is incomplete, ideas are not supported, question is not answered, or writing is not legible.</p>	

You can make a difference

"You know you are truly alive  
when you are living among lions."  
— Isak Dinesen
